# Do you have worries?

## Confidential

### About Living Expenses

- I want to clear my debt.
- I cannot pay tax and utility bills.
- I struggle with finances.
- I worry about my retirement.

We look at where your money goes and can advise on family finances. We will help you link with appropriate services as needed.

### About work

- I cannot find a job.
- My income is not stable as I struggle to stay on a job
- I want to start working but I worry if I can.

We help you to find a job. If you worry about communication or relationships, we will provide you with support and vocational training.

### About my child and family

- I worry about school fee and learning.
- I have a family struggling to go to school.

We help your children and young people to achieve their goal. We offer support to continue education and a place to be.

### About a place to live

- I lost my job and do not have a place to live.
- I cannot pay rent and will lose my house.

Have you lost your job? Are you about to lose your place to live? We help you stay in accommodation.

**“We will create a society where nobody is left alone.”**

**Do you know someone who needs help?**

**Please come and talk to us. We keep confidentiality.**
